About Our Equine Facilitated Learning Programs

"Domino," is ready to Teach Class! He's just one of many "Horse Teachers" at our School!

Looking for an affordable, memorable, & fun way for your kids to experience horses? If interested in an experiential learning experience, different from a riding lesson, incorporating academics, which will instill your children with lasting memories, values, & horsemanship skills, then you have come to the right place!

Miss Ashlee's unique and innovative teaching style & her horse based educational lessons and curriculum using "horses as the teachers," provides students' with fun, hand's-on, interactive lessons which are guaranteed to excite, motivate, and instill a love of learning in participants!

"Horse School" lessons will be taught on the "ground" -students will not be learning how to ride horses. We will use the "Team Kimberlin" Retirement & Rescue Horses as teachers in each session! **"RESPECT"** for all horses & each other along with teamwork is a primary theme!
